Using the 5 x card

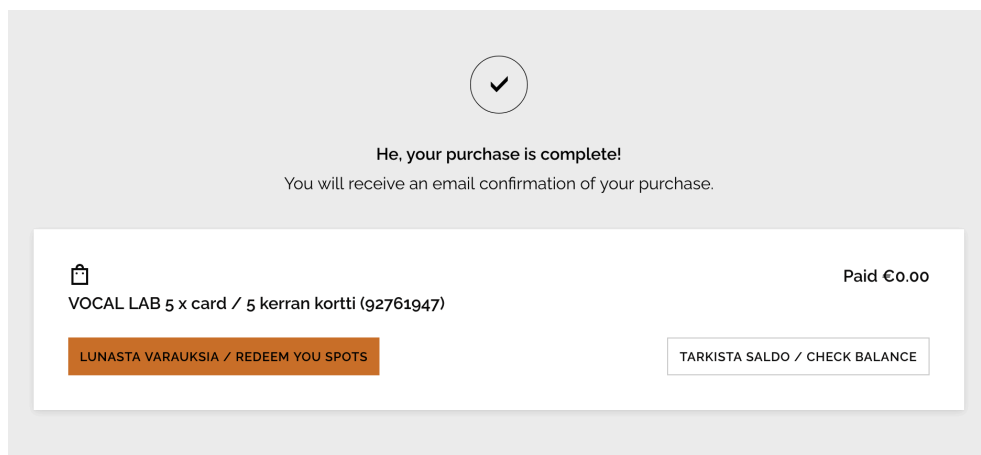

to book the workshops you want!

You can use your 5-session card in two ways:

1. Through the booking page (if you're making reservations right after purchase)
2. Through the confirmation email (whether you book the workshops immediately or later).

Option 1)

After the purchase you're taken to a confirmation page where you can redeem your spot(s) by clicking "Redeem your spots/lunasta varauksia".

Pick a workshop you want - the price for you is now 0€. Finalize the reservation. You've now signed up for the desired class!

Do this for each of the 5 classes you want, separately!

On the next screen, your details will already be filled in. Click “Continue to Payment.” The package code you purchased earlier will be applied automatically (you don’t need to enter it). Click “Confirm.”

You’ve now signed up for the workshop!

You can book additional sessions by clicking “Schedule another appointment” in the upper left corner.

Option 2)

After purchasing the 5-session pass, you’ll receive an email with a link. Click “Schedule” in the email to reserve the sessions you want.

The system will automatically apply the correct code at checkout, so you won’t need to enter anything. You can book your sessions right away or later in the spring: just make sure to secure your spots in time! When booking individual sessions, please note that missed classes are not refunded or replaced.
